Re: National Labor Relations Board v. Alaris Health at Rochelle Park,
No. 19-cv-19849

Dear Judge Salas:

On March 20, 2020, this Court [ECF No. 6] ordered Petitioner National Labor Relations Board to update this Court as to the status of production on today's date, May 19, 2020.

Partially as a result of the COVID-19 epidemic and its adverse impacts upon the parties, production remains incomplete at this time. That epidemic has necessitated a number of extensions of time for Respondent Alaris Rochelle to compile the documents the Board seeks. Earlier today, I corresponded with Peter Perla, counsel for Alaris Rochelle, and he stated as follows: "Documents have been compiled by the facility. They are being reviewed internally for completeness before they send them to me for review and production. We are making progress."

Based upon this correspondence, the NLRB believes that completion of production may be imminent. The NLRB accordingly recommends that a further status report be filed in 30 days, by which time the NLRB expects to have received Alaris Rochelle's production and to have reviewed that production to determine whether there are any further issues relating to subpoena compliance.

SO ORDERED.

Petitioner shall update the Court on or before June 18, 2020.

Very truly yours,

/s/ Paul A. Thomas
